Scope of work

1. **Project Introduction** – Red Cross State Uttarakhand desired to develop hybrid mobile app to perform the various activities :-
 - a) Volunteering has been at the very heart of the Red Cross since its inception in 1920. Volunteers are the backbone of all Indian Red Cross activities, helping branches to run successful programmes and assisting millions of vulnerable people in need. IRCS rewards and recognizes volunteers whenever possible and provides appropriate personal development opportunities.
 - b) IRCS recruits volunteers irrespective of their race, sex, age, and disability or membership.
 - c) Training registrations and training videos.
 - d) All volunteers are entitled to become a Member of Indian Red Cross Society; can have appropriate training to be able to undertake the agreed tasks or role; and accept or refuse any task or role in accordance with code of ethics or fundamentals of voluntary service.
 - e) Anyone one can donate money as per his convenience and receipt can be generated from the same.
2. **Types of Technical Solutions**–To accomplish this requirement we actually need following technical solutions:
 - a) Web backend panel,
 - b) Mobile App on iPhone / Android. (Need to use REST API)
3. **Features need to manageable by back-end admin user** –
 - Super admin user will be there to add/update/delete the different types of volunteers.
 - To generate the report of all the volunteers.
 - To generate report for individuals who have donate from mobile app or via website
4. **Functionality of App users** –
 - To view the list of volunteers on various search parameters.
 - Provision for donation.
5. **Dashboard feature of each app user** –
 - View list of volunteers on map category wise.
 - Dashboard to display the donation amount received area wise.
6. **Support & Maintenance terms** – How many months of support you need and in which model dedicate resource or fixed commitment of time & hours, etc.
7. **Share activity videos/ images (Activity types will be fetched from database)**
8. **District volunteers may raise any compliance to district admin**
9. **District admin will raise any compliance to state admin**
